

ആന്റിബയോട്ടിക്സുകൾക്ക് ജീവൻ രക്ഷിക്കാൻ കഴിയും, എന്നാൽ
ഡോക്ടറുടെ നിർദ്ദേശപ്രകാരമല്ലെങ്കിൽ അവ ഉത്തമമല്ല.

Antibiotics Under Blue Cover Kakkodi Family Health Centre

The First Antibiotic Smart Hospital In The Country

Hospitals That Achieve 10 Goals As Per Guidelines To Prevent Overuse Of Antibiotics Are Declared As Antibiotic Smart Hospitals. The Aim Is To Make All Hospitals Smart Hospitals In Time.

Kakkodi Family Health Center In Kozhikode District Has Become The First Antibiotic Smart Hospital In The Country. The Government Had Formulated A Policy To Combat Antimicrobial Resistance. Following This, Kakkodi Family Health Center Was Declared As The First Antibiotic Smart Family Health Center In The Country Due To The Implementation Of 10 Criteria On 2023 November 24th. Antibiotics Will Henceforth Be Dispensed In Blue Medicine Envelopes To Increase Antibiotic Literacy And Create Awareness About Proper Use Of Antibiotics.

Along With This, Blue Posters Of Antibiotic Supply Policy Were Distributed For Display In All Medical Shops In Kakkodi Panchayat.

Distribution Of Blue Medicine Cover And Blue Poster Was Inaugurated By District Medical Officer (Health) Dr. N. Rajendran Performed. Kakkodi Gram Panchayat President Mrs. K. P. Sheeba Presided. District AMR Nodal Officer Dr. Jineesh A.P. Presented The Topic. Medical Officer Dr. Divya P. K, Vice President Shri Vinod, Chairman Health Standing Committee Mrs. Punathil Mallika, Pharmacy Representative, Mr. Balakrishnan And Health Inspector Mrs. Maya Were Present During The Function. The Function Also Inaugurated The Automated Biochemistry Analyzer Purchased For The Hospital Lab Using Health Grant Funds.
